ATHLETE ELIGIBILITY

BCSS recognizes the right of all student-athletes to choose which school they attend and which subjects they study. BCSS, however, is charged with the responsibility of drafting, implementing and enforcing rules on eligibility for those student-athletes who seek the privilege of participating in interschool competition. The overriding purpose of these rules is to ensure fair and equitable competition for all student-athletes participating in BCSS restricted competition.

or
http://www.bcschoolsports.ca/sites/default/files/Eligibility%20Pamphlet%20-%20revised%202016.pdf

It is the responsibility of the coach and/or teacher sponsor to ensure that students meet all B.C. School Sports eligibility requirements. These requirements can be found at length in the handbook under Section III Part D. If you have any concerns regarding your athletes please speak to an Athletic Director immediately. **The following guidelines should assist you in determining student athlete eligibility:**

i. Students must be in full-time attendance (75% course load).

ii. Students must not have completed graduation requirements in the preceding school year, or accepted a Certificate of Standing in the current year.

iii. Students are eligible for five consecutive years based on their initial entry into Grade 8.

iv. Students must meet the following age requirements:

- Seniors must be under 19 years of age as of December 31st of the current year

- Juniors must be under 17 years of age as of December 31st of the current year

- Gr. 8's must be under 15 years of age as of December 31st of the current year

v. Students must be participating in athletics at their home school *(school which they attended first day in grade 8),* **unless they have gone through the transfer process. If a student athlete did not start Grade 8 at Earl Marriot Secondary please consult the Athletic Director regarding the transfer process and the steps that need to be taken with your student-athlete.**

EMS Student-Athlete Code of Conduct

The actions of a student athlete are a reflection of themselves, their team, their school and their community. A student's involvement in school sport creates opportunities and experiences that are important to the development of a well-rounded student. It is important to remember that a student athlete's participation in school sport is a privilege, not a right, and can be revoked if the ***EMS Student Athlete Code of Conduct*** is not followed.

I. COMMITMENT

Each student-athlete is expected to attend all practices and games. Schedule conflicts must be discussed with the coach in advance. Lack of commitment to a team or sport may affect participation or playing time on the team. Withdrawal during a season of play may jeopardize future participation in Earl Marriott Athletics in the following season of play.

II. SPORTSMANSHIP

Earl Marriott Secondary student-athletes are expected to demonstrate the highest standards of sportsmanship during competition. Showing respect for opponents and officials is a paramount principle of our program. An athlete unable to follow the ***BCSS Student Athlete Code of Conduct*** may result in suspension from competition for a game, week, season of play, or remainder of school year. These suspensions could be handed down from one of the following: Coach, Athletic Director or BCSS Disciplinary Committee.

III. CITIZENSHIP

A high standard of behaviour and attitude are expected by student-athletes not only at school, but during travel, and before and after competition. All School and Surrey School District rules apply to all events that student-athletes participate in. The use of alcohol, drugs, or tobacco will result in school disciplinary action and additional suspensions from athletics. A student-athlete unable to follow the Code of Conduct may result in suspension for a game, week, season of play, or year from the Athletic Department, and/or school.

IV. ACADEMIC EFFORT

Each student-athlete is expected to maintain ***Academic and Effort Standards*** consistent with his or her ability. All student athletes must maintain a 50% or C- standing or higher in at least 3 of 4 courses OR 2 of 3 courses for senior students with a spare block. Regular class attendance is mandatory on game days unless excused with a legitimate reason. If a student is unable to attend class(es) the day of a league, exhibition, or playoff game in whole or in part may not be able to play in the game. A coach may not tell a student to rest at home on the day of a league, exhibition, or zone playoff game.

V. UNIFORMS AND EQUIPMENT

Uniforms and equipment are the property of the school and must be cared for appropriately during the season of play. They must be well maintained by the student athlete to whom they are issued. Partial uniforms will not be accepted as returnable. If lost or damaged, charges will be levied and/or the uniform deposit will not be returned. Student-athletes who do not return equipment or uniforms for which they are responsible will not be permitted to register for a sport for the following season.

VI. DRUG AND ALCOHOL POLICY

If you violate the Drug and Alcohol Policy of School District #36 while you are a team member of the EMS Athletic Program and the violation takes place at a school sanctioned activity other than an athletic activity, you may be suspended for a portion of the season in which the violation occurs. If you violate the Drug and Alcohol Policy while directly involved as a team member within the Athletics Program, and this violation takes place during the athletic activity, you will be suspended from participation for the rest of that season and potentially the remainder of the school year. You will also be subject to further discipline from the school's administration. We would like to make it clear to all student-athletes that drug and alcohol use in any form will not be condoned within the Athletics Program.

BC School Sports (BCSS)

Coaching Information

COACH SELECTION:

The Athletic Director and the Program Leader for each sport will select coaches for all positions offered by Athletics at Earl Marriott Secondary. Depending on the level of interest, coaches will be selected based on their qualifications and their suitability within a given sport and/or age group. Below is the evaluation (in no specific order) that will be used to award coaching positions at EMS:

A. Coaching Certifications
B. Years of experience within the sport (coaching, competing, etc)
C. Contribution to the sport-specific program
D. Suitability to work with the team, coaching staff, & within sport-specific program

COMMUNITY COACHES:

BC SCHOOL SPORTS understands community coaches are integral to the school sport system, and they are necessary to ensure further opportunities for student athletes. Recognized athletic associations, member schools and/or school districts are encouraged to adopt the following guidelines to ensure that the philosophy, objectives and values of the BC SCHOOL SPORTS system are maintained.

1. Community coaches should complete the Community Coaches Application Form and submit copies to both the Athletic Director and School Administrator. The form will enable school representatives to start to determine the qualifications and suitability of the prospective community coach to supervise and coach students of school age, and to receive from the prospective community coach authorization for a criminal record check.

2. It is strongly recommended that the community coach has completed a minimum of level one theory of the National Coaching Certification Program.

3. The School Administrator and/or Athletic Director should meet with each prospective community coach to discuss school athletic policy and school sport objectives, ensuring that the coach understands:

a. the expectations for the supervision of students
b. emergency protocol within the school
c. accountability for equipment, uniforms, finances
d. league schedules and deadlines
e. practice times, restrictions, policies and access
f. school and/or district travel policies and insurance requirements
g. the BCSS and Earl Marriott Secondary's Coach's Code of Conduct and procedures
h. the BCSS Eligibility Policies and procedures
i. the decision-making process and jurisdictional boundaries of the school, school district, athletic association, sport commission and BCSS
j. required paperwork for team and player registration and entry into events

4. The school Administrator and/or Athletic Director will request and check at least two references for each community coach candidate.

5. The school Administrator and/or Athletic Director will undertake a criminal record check on the prospective community coach to ensure no convictions under the Criminal Code of Canada and the Narcotics Control Act.

6. The BCSS supervision policy does not require that a teacher-sponsor be present with adults who have been approved by the school Administrator. It is therefore strongly recommended that the Athletic Director and/or Administrator conduct periodic observations of the community coach at practice and in competition.

COACHES' RESPONSIBILITIES:

The Head Coach must remain the same throughout the season and be willing to take full responsibility for all supervision and administrative assignments related to the team. The Athletic Department will assist in finding additional coaches to fill any Assistant Coaching requirements if needed.

The following is a partial list of supervision and administrative assignments related to a team:

i. collect the school athletic fee, jersey deposit and team fees **(ensure they are on separate cheques) OR** arrange a system with Taylor Clift. Please provide the Athletic Director with a breakdown of all team fees you collect and ensure parents understand the fee structure

ii. complete team roster forms and ensure all athletes fill out appropriate paperwork found at the end of this package or in your team folder

iii. attend all practices and be actively involved in the supervision of all practice activities

iv. to attend all games/competitions and be present on the bench throughout the duration of the game/competition

v. report all game/match results and communicate regularly with League Coordinator

vi. provide Elaine Maclean (maclean_e@surreyschools.ca) with team roster and any early dismissal times as she can excuse your athlete absences

Fee Structure for Student-Athletes

ATHLETIC FEE

Each student-athlete participating in sport at Earl Marriott Secondary is required to pay an athletic fee for each team that student plays for. The athletic fee is designed to cover a variety of costs, dependent on the sport, which is associated with running the Athletics Program at EMS. The majority of the money is allocated for Association Fees, League Fees, referee costs, court and field supplies, the purchase of uniforms and equipment along with their maintenance. In addition to those costs, the Athletic Department provides teams with medical supplies, provincial tournament fees, in addition to plaques and trophies for the Athletic Awards Night.

The athletic fee for the upcoming school year will be $60 for major sports and $40 for minor sports, the sport designation can be found on page 4 of the EMS Athletics Handbook. The athletic fee will not include the athletic awards night ticket, that will be an additional $5 for any student athlete or parent who would like to attend. This fee will help subsidize the cost of food and drink for the evening.

UNIFORM DEPOSIT

Student-athletes participating in sport at Earl Marriott Secondary are required to provide a $100 “post dated” cheque for their uniform deposit. This deposit is collected to help cover the cost of any misplaced or lost uniforms. The cheque will be disposed of when the uniform has been returned to the coach or Athletic Director. Any team that does not assign uniforms to their players will be exempt from this deposit.

TEAM FEES

Some programs or individual teams will require supplemental fees in addition to the standard athletic fee. These fees are at the discretion of the coach or head of the program and are charged to cover various costs associated with these teams. Examples of team fees may include but are not limited to tournament costs, team travel, accommodations, and things like team gear or clothing. It is expected that each coach will provide a cost breakdown of all additional fees required for each student athlete.

Individual Team Awards

The Earl Marriott Athletic Department provides each team with two awards to be presented at the year-end Athletic Awards Ceremony. We support the decisions made by the individual team's coach(es) and would like to recognize their chosen athletes at the end of the school year. Each team can select the type of awards given out, some suggestions include: MVP, Biggest Heart, Most Committed, Best Offensive or Defensive Player, etc.

In addition to recognizing individual players, we would also like to recognize the entire team, so please provide a season summary in the space below. The summary will be read at the Athletic Awards Ceremony and is designed to highlight the team's accomplishments throughout the past season of play. ***Please ensure this form is filled out and submitted to the Athletic Director at the completion of your season.***
